

Literacy & Numeracy

The acquisition of new knowledge and skills and the maintenance of the knowledge already acquired. Students can attain qualifications ranging from EL1-L2 Functional skills through to GCSEs.

Immersive Experience

Work related Learning

A wide range of focused workshops, industry insight visits, employer engagement programmes, work experience and encounters with further and higher education to prepare our students for adulthood.

Reading

In the Sixth Form we continue to develop reading explicitly as a core skill to access all areas of the curriculum. Reading is developed throughout whole school reading initiatives.

Enterprise

Structured opportunities for our students to apply their learning in real business scenarios, everything from Teamwork to Product Design, Advertising and Marketing.

Elm Court School

Every Learner Matters

6th Form Curriculum

Overview

Duke of Edinburgh Award

Working towards Bronze and Silver Awards. Focused on Volunteering, Physical Development, Skills Development and an Expedition. At the end of the programme students could attain Bronze to Gold Award.

PSHE

The PSHE curriculum develops the skills and knowledge necessary to enable our students to make safe choices and live healthy lives. Students can attain an ASDAN qualification ranging from Entry L1 to Level 1.

Personal Development

Practical support focusing on the development of independence and the key skills required by our students to make the successful transition to adulthood.

Pathways Options

Offering students a wide choice of opportunities to develop and deepen knowledge and skills in areas of personal interest and aspiration. All pathway subjects lead to L1-L2 Award-Diploma qualifications.
